## SHOE SIZING CHART

### How to measure your Child's foot.

- ✓ Ensure your child's foot is relaxed before measuring.
- ✓ Measure towards the end of the day to ensure foot is at it's largest
- ✓ Place your child's heel on the baseline below.
- ✓ The line that is above your child's big toe is the size you require.
- ✓ If the longest toe is on the line of a size; we suggest that you choose the next size up.
- ✓ Whilst we have tried our best to make our sizing chart as accurate as possible, the sizing of our shoes may vary slightly between designs.

# SKEANIE

↓ Place your child's heel on this baseline ↓
